The meeting was called to order by President Mickey Murphy at 7:04 PM.

A quorum was met with 15 members including new member George Meidhof present.

- Minutes of the last meeting were approved as presented.
- The Treasurers report was given by Treasurer Jerry Rudnitsky.
- Membership, Ralph Savino reported SES had 148 paid members YTD 2015.
- Field Safety - Ed Popp & Pratt Carter reported no major issues at the field. However there have been many recent crashes of electric models some related to low battery power. Most of the newer transmitters have a timer built into them and each model can be setup for a specific amount of time. Please use a timer to prevent flying to long and crashing as a result.

Thanks also to Carl Dilks for all of his hard work placing the cement pavers at the flight stations and other needed places. Materials for new tables will be purchased a few days after the FunFly/Picnic. Mickey will need the use of a vehicle to pull the trailer to Home Depot to pick up the materials. A work party will be requested later on.
- Mowing - Carl reported the mowers are all in good shape after some recent cleaning and blade sharpening by Tom Gagish. The 2015 Mowing Schedule is available and is posted on the SES website. www.southerneaglesquadron.com/ and at the field. Thanks to two new volunteers for the mowing teams. Dan Dewolfe Team #1 and Wayne Richardson Team #5. Thanks also to Carl Angleberger for all of his attention to detail in keeping the field looking good.
